

Tweets from Mexico, February 2020

Dear supporters, friends, family members, greetings from Mexico City! Here are some 'tweets' to catch you up on goings-on here, and to inform your prayers.

Praise the Lord for a good finish to the **#seminary** semester in December, and a great start to the new semester in January! I (Dave) am teaching Acts / Pauline epistles this semester.

Praise the Lord that I got 10 out of 10 on the **#evaluations** my students gave me for last semester. I didn't even have to pay them!

Please pray for the studies and Sunday school **#Blanca** is involved in at church, and for the **#KidsClub** on Saturdays.

Please pray for a job for **#Daniel** and for good health, especially for Blanca and **#Alexandra**.

Praise for a good rest in **#December**: a visit from my parents, attending the **#wedding** of two of my former students (Luis Be Huchim and Ruth Rodríguez), and a few days away for our family at tourist town **#Tequisquiapan** after Christmas.

Please pray for our **#Reconnect** (formerly known as 'home service'). It

will be shorter: **July 6 to October 7**, and Dave will do it alone so that Blanca can stay and attend to a family health matter.

#YouCanHelp: Does anyone have a **#vehicle** Dave can borrow for those dates on Reconnect? Would be for use in West Michigan only.

Praise that I will start up **#Timothy leadership training** again. National Presbyterian church leader Eduardo has been asking for this for a while, and I

Eduardo will be taking Timothy training with Dave

hope he can someday be the head honcho for TLT in Mexico City.

Praise the Lord for a flurry of ideas and activity in late December / early January, which resulted in a number of new **#materials** (see the next three tweets):

Spanish-speakers can now find many new free materials here at my **#website**, giffmex.org/wiki/!

My students now have more complete **#course packets** for my New Testament course. I finally got to sections I have been wanting to work on for months or years.

Speaking of **#tweets**, I tweeted – on the real *Twitter* – about a notetaking tool I got inspired to create in January. Suddenly I got a flood of likes, retweets, comments and new followers.

If you want to see what the buzz is about, see it at <https://giffmex.org/gifts/tiddlyblink.html>

I am grateful to God for relief from the annual **#allergies** I used to suffer at our old house. This year I had maybe two weeks of mild allergies compared to two months' severe allergies at the old house. Praise the Lord!

Praise the Lord for our **#supporters**, and pray the Lord can also provide new churches and individuals to come alongside of us. We are currently at 57% support, about 5 to 10% behind other years. Please pray that the rest can come in by June.

Thank you all for your prayers, financial support, and words of encouragement! God bless you all in Christ Jesus! –
Dave, Blanca, Daniel and Alexandra Gifford
